Subject: TPH gasoline range results - SDG 12027B

Robin / Cindy:

Here's the first set of final data report and EDDs. The hard copy report will be signed by Brenda's designee (Brenda is on her way back from TNI) and mailed to Richard Fetzner.

I've included the .dtd file to use with the SEDD 2a deliverable, but I won't include it in future transmissions. You only need one copy of the file and use with any SEDD 2a files we send to you.

We will also scan the full raw data package and create a .pdf copy in the next or two. Do you want me to send that to you as well?

Let me know if you have any questions.
